## PRESIDENT'S MESSAGE

Oklahoma City Chapter - August 2024

Greetings Fellow Compatriots! As I compose this update, we are enduring some very uncomfortable hot weather. But School is back in session, football around the corner, and hopefully the hint of some fall weather arriving soon.

\*\*\*\*\*

It is with great sadness that I report the news of the passing of Compatriot Wayne Leroy Nash, a longtime SAR member. He was VP of the OKC Chapter 2006-2008, President 2008-2010, and joined the Color Guard in 2013. His Obit is posted at the end of this correspondence. Memorial Services are still pending at this time.

\*\*\*\*\*

Our first Chapter Meeting of the new year will be September 9. We will still be meeting at Johnnie's Charcoal Burger, 33rd Street in Edmond. Social and meal time 6:00 - 7:00 pm with the meeting starting promptly at 7:00. At our budget and planning meeting on August 12 we did not have a Quorum so the budget will need to be discussed

and voted on at the Chapter meeting. There is very full agenda of Chapter, Society, and National topics to cover so the time we would devote to a Guest Speaker will be re-directed to these business topics.

Our 100th Anniversary Celebration is just around the Corner! September 21 will be here before you know it. I have included the revised invitation as a reminder of time and place. If you have already registered then you are all set. All the planning and preparation will finally be manifested in a memorable occasion!

Several of our OKC Chapter members will be attending the South Central District Conference in Joplin this weekend. This will be my first time to experience this gathering and I am very much looking forward to it. Our Color Guard Contingent will be well represented.

Speaking of the Color Guard, our Chapter's CG unit activity level is staying consistently busy. We are continually booking activities for Posting Colors, Musket Solutes, and Parade entries. If you think you might be interested in participating with our Color Guard please contact me, Steve Miller, Terry McClain, or Eric Koonce and we will be happy to assist you in getting started. It doesn't cost anything to try!
